

# CIP 2014

February 13-16, Bangkok, Thailand

*Scientific Program*

---

10:00-17:00 Registration

---

13:45-14:45 Industry Symposium 1: Halls ABC  
**Programming for a Healthy Life**  
Chair: Ferdinand Haschke

---

**Sponsored by NESTLÉ NUTRITION INSTITUTE**

**Strategies to prevent Iron Deficiency in Developing and in Developed Countries**

**Andrew Prentice**

*Professor of International Nutrition at the London School of Hygiene and Tropical Medicine  
and Chair of the ASN Membership Committee, UK*

**Pre- and Postnatal Nutrition and Metabolic Programming**

**Ferdinand Haschke**

*Professor, Department of Pediatrics, University of Vienna, Austria*

---

14:45-15:00 Break

---

15:00-16:30 Plenary 1: Halls ABC  
Vaccines  
Chairs: **Manuel Katz, Usa Thisyakorn**

---

15:00-15:05 **Introduction**

Manuel Katz

*President of the Global Initiative for Consensus in Pediatrics (CIP), Israel*

15:05-15:45 **What have we learned from Pneumococcal Conjugate Vaccines on the pathogenesis  
and evolution of Otitis Media?**

Ron Dagan

*Director, Pediatric Infectious Disease Unit, Soroka University Medical Center, Israel*

15:45-16:25 **Poliomyelitis: the time for the End Game is upon us**

Margaret Fisher

*Medical Director, Monmouth Medical Center, USA*

16:25-16:30 **Conclusions**

Usa Thisyakorn

*Chairman of the Local Organizing Committee for the CIP 2014 Congress, Thailand*

---

16:30-17:00 **Coffee Break and Visit of the Exhibition and Electronic Posters**

---

17:00-17:30 **Opening Ceremony, Greetings and Welcome** Halls ABC  
Moderator: Shimon Barak

---

Manuel Katz

*President of the Global Initiative for Consensus in Pediatrics (CIP), Israel*

Usa Thisyakorn

*Chairman of the Local Organizing Committee for the CIP 2014 Congress, Thailand*

Zulkifli Ismail

*President, APPA - Asia Pacific Pediatric Association, Malaysia*

Somsak Lolekha

*President of The Royal College of Pediatricians and the Pediatric Society of Thailand*

---

17:30-19:30

Plenary 2:

Halls ABC

**The quest for the "Holy Grail" of Global Pediatric Consensus:  
Does it exist and can it be reached?**

Moderator: **Shimon Barak**

Chairs: **Manuel Katz, Zulkifli Ismail**

---

**Introduction**

Shimon Barak

*Vice Chairman of the Scientific Committee of CIP, Israel*

**Consensus Among Different Medical Disciplines**

Richard Azizkhan

*Past President of WOFAPS, Surgeon-in-Chief Lester W. Martin Chair of Pediatric Surgery,  
Cincinnati Children's Hospital Medical Center, USA*

**Consensus when resources and priorities differ: the Asian point of view**

Daniel YT Goh

*Head of Paediatrics and Associate Professor of Paediatrics, Yong Loo Lin School of Medicine,  
National University of Singapore. President, APF-ASEAN Pediatric Federation, Singapore*

**Consensus when resources and priorities differ: the Latin American point of view**

Arnoldo Grosman

*Coordinator of Medical Education, CIP. Technical advisor of AIEPI/IMCI-WHO. Chair, Pediatrics &  
Neonatology, Hospital Español, Universidad Maimonides, Bs As, Argentina*

**Can there be a Uniform consensual Pediatric Care in a mixed urban-rural society of 240  
million people living in 17,508 islands?**

Badriul Hegar

*Department of Child Health, Cipto Mangunkusumo, President, Indonesian Pediatric Society,  
Indonesia*

**The role of the AAP statements, clinical practice guidelines, technical reports and  
affirmations of value in shaping Global Pediatric Consensus**

Jonathan Klein

*Professor of Pediatrics, Preventive and Community Medicine, and Family Medicine. Associate  
Executive Director, American Academy of Pediatrics, USA*

**Is it possible to reconcile Traditional Medicine and Modern Healthcare?**

Kunling Shen

*President, Chinese Pediatric Association, China*

THURSDAY, FEBRUARY 13, 2014

**How should Consensus be reached: through training? education? research? agreement?**

Alfred Tenore

*Associate Dean of Faculty Affairs, Chair of Pediatrics, Professor of Pediatrics, Department of Medical Education California Northstate University College of Medicine. President of the Italian National Medical Licensure Examination Board; Italian Delegate and Past President of the European Academy of Pediatrics (Pediatric section of the UEMS-European Union of Medical Specialists). Vice Chairman of CESMA (Council for European Specialist Medical Assessments); Chairman of the Global Pediatric Education Consortium.*

**Discussion and debate**

Manuel Katz

*President of the Global Initiative for Consensus in Pediatrics (CIP), Israel*

Zulkifli Ismail

*President of APPA - Asia Pacific Pediatric Association, Malaysia*

---

20:00

Welcome Reception

---

---

07:30-18:00	Registration	
-------------	--------------	--

---

08:00-09:00	<b>Industry Symposium 2: Ocular pathologies in the Newborn</b> Chair: <b>To be announced</b>	<b>Halls ABC</b>
-------------	---	------------------

---

*Sponsored by CLARITY*

**Should Eye Imaging be part of a standard newborn examination?**  
La-Ongsri Atchaneeyasakul  
*Professor, Siriraj Hospital Mahidol University, Thailand*

**Use of Retcam Digital Imaging Technology for early detection and better management of Pediatric ocular pathologies**  
Phanthipha Wongwai  
*Srinakarind Hospital, Thailand*

**Working as a team (Pediatricians and Neonatologists) to better manage and document ocular pathologies**  
Khaled Tawansy  
*Los Angeles, USA*

**Q&A**

---

09:00-10:00	<b>Plenary 3 Challenges in Pediatric Care</b> Chair: <b>Adamos Hadjipanayis</b>	<b>Halls ABC</b>
-------------	--	------------------

---

09:00-09:05	<b>Introduction</b> <u>Adamos Hadjipanayis</u> <i>Assistant Professor of Paediatrics, European University Cyprus Secretary General, European Academy of Paediatrics (EAP)</i>	
09:05-09:30	<b>Caring for Children with complex medical conditions</b> <u>David Fox</u> <i>Assistant Professor of Pediatrics, University of Colorado, School of Medicine, USA</i>	
09:30-09:55	<b>Aspects of Pediatric preventive care in China</b> <u>Zonghan Zhu</u> <i>Professor, Capital Institute of Pediatrics, China</i>	
09:55-10:00	<b>Q&amp;A</b>	

---

10:00-10:30	<b>Coffee Break and Visit of the Exhibition and Electronic Posters</b>	
-------------	--	--

---

---

10:30-12:30 **Seminars, Controversies and Consensus 1** Hall A  
**Seminars in Pediatric Nutrition**  
Chair: **Robert Mark Beattie**

---

10:30-10:35 **Introduction**  
Robert Mark Beattie  
*Consultant Paediatric Gastroenterologist and Honorary Senior Lecturer in Nutrition, Paediatric Medical Unit Southampton University Hospital, UK*

10:35-11:10 **The NOURISH trial: positive feeding practices and food preferences in early childhood as a primary prevention program for childhood obesity**  
Geoffrey Cleghorn  
*Director of Research & Professor of Paediatrics, The School of Medicine, The University of Queensland, Australia*

11:10-11:45 **Global burden of childhood under nutrition: Challenges and solutions**  
Zulfiqar Bhutta  
*Professor and Chair, Division of Women and Child Health, Aga Khan University, Karachi, Pakistan. Professor in International Health, family and Community Medicine, Boston University and Tufts University, Distinguished National Professor of the Government of Pakistan and Dean of the faculty of Paediatrics of the College of Physicians & Surgeons, Pakistan*

11:45-12:20 **Nutritional issues in the Management of Inflammatory bowel disease**  
Robert Mark Beattie  
*Consultant Paediatric Gastroenterologist and Honorary Senior Lecturer in Nutrition, Paediatric Medical Unit Southampton University Hospital, UK*

12:20-12:30 **Q&A**

---

10:30-12:30 **Seminars, Controversies and Consensus 2** Hall B  
**Controversies in Pediatric Nephrology**  
Moderator: **Peter Hoyer**

---

- **Nephritic syndrome: Diagnosis and treatment under different conditions and resources.**
- **Steroid sensitive and resistant nephrotic syndrome: Primary and second line therapy in Asia vs. Europe**
- **Imaging & treatment of UTI: Early vs. minimal imaging. Prophylactic antibiotic vs. invasive therapy vs. surgical treatment**

**Panel:**

Peter Hoyer

*Director University Children's Hospital Essen, Director and Chair Pädiatries II Pediatric Nephrology, Endocrinology Gastroenterology and Transplant Medicine, Germany*

Arvind Bagga

*Professor Division of Pediatric Nephrology, All India Institute of Medical Sciences, India*

Constantinos J. Stefanidis

*Director of Pediatric Nephrology and Pediatric Medical Director, "P. & A. Kyriakou" Childrens' Hospital, Greece*

---

10:30-12:30	<b>Seminars, Controversies and Consensus 3</b> <b>The Art and Science of Expert Thinking: A Key to Superior Diagnostic Decision-Making in Critical Care</b> Moderator: <b>Jorge Coss-Bu</b>	Hall C
	<ul style="list-style-type: none"><li>• <b>Diagnostic errors: how to avoid and raise awareness about their occurrence</b></li><li>• <b>Cognitive processes of expert thinking in clinical reasoning and decision-making</b></li><li>• <b>Practical strategies clinicians can use to enhance their diagnostic performance</b></li></ul> <p><b>Panel:</b> <u>Jorge Coss-Bu</u> <i>Medical Director, Pediatric Intensive Care Unit, Ben Taub Hospital Associate Professor, Pediatrics - Critical Care Medicine Baylor College of Medicine Texas USA</i> <u>Satid Thammasitboon</u> <i>Associate Professor Associate Fellowship Director for Education, Pediatric Critical Care Medicine, USA</i> <u>Samart Pakakasama</u> <i>Pediatrics, Faculty of Medicine Ramathibodi Hospital, Thailand</i></p>	
10:30-12:30	<b>Seminars, Controversies and Consensus 4</b> <b>The Asian Strategic Alliance for Pneumococcal disease prevention (ASAP) Symposium</b> Chairs: <b>Lulu C. Bravo, Zulkifli Ismail</b>	Thonburi Hall
10:30-11:00	<b>Introduction</b> <u>Zulkifli Ismail</u> <i>Professor of Paediatrics, President, APPA - Asia Pacific Pediatric Association</i>	
11:00-11:40	<b>Pneumococcal antimicrobial resistance - a global review</b> <u>Ping Ing Lee</u> <i>Department of Pediatrics, National Taiwan University Hospital, Taiwan</i>	
11:40-12:20	<b>Can Pneumococcal Conjugate Vaccines have a serious impact on pneumonia?</b> <u>Ron Dagan</u> <i>Director, Pediatric Infectious Disease Unit, Soroka University Medical Center, Israel</i>	
12:20-12:30	<b>Discussion</b> <u>Lulu C. Bravo</u> <i>Vice chancellor for research and Executive Director National Institutes of Health, The Philippines</i>	
12:30-14:30	<b>Lunch Break</b>	

---

---

12:50-14:20    **Lunch Symposium 3:** Thonburi Hall  
**The benefits of Immunization for Children and Society**  
Chair: **Somsak Lolekha**

---

*Sponsored by GSK*

**Addressing the burden of pneumococcal disease: 5 years of experience using PHiD-CV**  
Bernard Hoet  
*GlaxoSmithKline Biologicals, Rixensart, Belgium*

**Addressing six diseases with one vaccine – the hexavalent DTPa-HBV-IPV/Hib vaccine**  
Anne Goh  
*Head & Senior Consultant, Department of Paediatrics, Allergy Service, KK Women's and Children's Hospital, Singapore*

**Rotavirus vaccines – ready for universal vaccination scheme?**  
Tony Nelson  
*Professor in Paediatrics at the Chinese University of Hong Kong*

**Q&A and Conclusions**  
Somsak Lolekha  
*President of The Royal College of Pediatricians and the Pediatric Society of Thailand*

---

14:30-16:00    **Master Class 1** Hall A  
**Perspectives on Kawasaki Disease 45 years after its first described**  
Chairs: **Fuyong Jiao, Chule Thisyakorn**

---

14:30-14:35    **Introduction**  
Chule Thisyakorn  
*Professor Emeritus of. Pediatrics at Chulalongkorn University, Bangkok, Thailand*

14:35-15:00    **Primary Caretaker**  
Zachi Grossmann  
*Department of Pediatrics, Maccabi Health Services, Israel*

15:00-15:25    **The Hospitalist**  
Fuyong Jiao  
*Dept. of Pediatrics the Shaanxi Provincial People's Hospital of Xi, Jiaotong Univeristy, China*

15:25-15:50    **The Cardiologist**  
Suthep Wanitkun  
*Pediatric Cardiology, Ramathibodi Hospital, Bangkok, Thailand*

15:50-16:00    **Q&A**

---

14:30-16:00    **Master Class 2** Hall B  
**Nephrology & Urology**  
Chairs: **Peter Hoyer, Prayong Vachvanichsanong**

---

14:30-14:55    **Hypertension in children and adolescents: recommendations for the diagnosis, investigation & management in Primary Care settings**  
Constantinos Stefanidis  
*Director of Pediatric Nephrology and Pediatric Medical Director, "P. & A. Kyriakou" Childrens' Hospital, Greece*

---

# FRIDAY, FEBRUARY 14, 2014

- 14:55-15:20 **Acute Kidney Injury: an increasing Global Concern**  
Arivnd Bagga  
*Professor Division of Pediatric Nephrology, All India Institute of Medical Sciences, India*
- 15:20-15:45 **Kidney Cysts & Cystic Kidneys: what should a pediatrician know?**  
Peter Hoyer  
*Director University Children's Hospital Essen, Director and Chair Pädiatrics II Pediatric Nephrology, Endocrinology Gastroenterology and Transplant Medicine, Germany*
- 15:45-16:00 **Q&A**  
Prayong Vachvanichsanong  
*Department of Pediatrics, Prince of Songkla University Hat-Yai, Songkhla Thailand*
- 
- 14:30-16:00 **Master Class 3** **Hall C**  
**Infectious Diseases I**  
Chairs: Margaret Fisher, Ron Dagan
- 
- 14:30-14:35 **Introduction**  
Ron Dagan  
*Director, Pediatric Infectious Disease Unit, Soroka University Medical Center, Israel*
- 14:35-15:00 **Influenza**  
Tawee Chotpitayasunondh  
*Queen Sirikit National Institute of Child Health, Ministry of Public Health, Thailand*
- 15:00-15:30 **Pertussis reappearance in Developed Countries – is it the pathogen, the vaccine or our unrealistic expectations?**  
Margaret Fisher  
*Medical Director, Monmouth Medical Center, USA*
- 15:30-16:00 **The HIV vaccine for Southeast Asia - opportunities & challenges**  
Punnee Pitisuttithum  
*Director of the Vaccine Trial Centre, Faculty of Tropical Medicine Mahidol University, Thailand*
- 
- 14:30-16:00 **Master Class 4** **Thonburi Hall**  
**Stem Cells in Pediatrics**  
Chair: **Arnoldo Grosman**
- 
- 14:30-14:35 **Introduction**  
Arnoldo Grosman  
*Coordinator of Medical Education, CIP. Technical advisor AIEPI/IMCI-WHO.  
Chair, Pediatrics & Neonatology, Hospital Español, Universidad Maimonides, Bs As, Argentina*
- 14:35-15:00 **Human pluripotent stem cells & their potential role in treating neurodevelopmental disorders**  
Alexandra Benchoua  
*Head - Neuroplasticity and Therapeutics, Institute of Stem cells for the Treatment and the Exploration of Monogenic Diseases, France*

# FRIDAY, FEBRUARY 14, 2014

- 15:00-15:25 **Transplant of Stem Cells in the repair of palate-oral congenital defects**  
Guillermo Trigo  
*Vicdean of the Health Science Faculty, Universidad Maimónides, Buenos Aires, Argentina*  
Gustavo Moviglia  
*Director of the Research Center for Tissue Engineering and Cellular Therapies (CIITT) of the Universidad Maimonides, Buenos Aires, Argentina*
- 15:25-15:50 **Overview in pediatric hematopoietic stem cell transplantation: pearls and obstacles**  
KleebSabai Sanpakit  
*Assistant Professor in Pediatric Hematology and Oncology, Siriraj Hospital, Mahidol University, Thailand*
- 15:50-16:00 **Q&A**
- 
- 16:00-17:30 **Master Class 5** **Hall A**  
**Gastroenterology and Nutrition**  
Chair: **Badriul Hegar**
- 
- 16:00-16:05 **Introduction**  
Badriul Hegar  
*Department of Child Health, Cipto Mangunkusumo, President, Indonesian Pediatric Society, Indonesia*
- 16:05-16:30 **The role of immunotherapy in the treatment of food allergy**  
Geoffrey Cleghorn  
*Director of Research & Professor of Paediatrics, the School of Medicine The University of Queensland, Australia*
- 16:30-16:55 **State of the Art on Medical and Surgical aspects of the Short bowel Syndrome**  
David Sigalet  
*Chief of Surgery, Sidra Medical and Research Center, Canada*
- 16:55-17:20 **Obesity: A Pediatric Endocrinologist Perspective**  
Suttipong Wacharasindhu  
*Endocrine Unit, Department of Pediatrics, Faculty of Medicine, Chulalongkorn University, Thailand*
- 17:20-17:30 **Q&A**
- 
- 16:00-17:30 **Master Class 6** **Hall B**  
**Pharmacology and Toxicology**  
Chair: **Yona Amitai**
- 
- 16:00-16:30 **Is Vitamin D the 21st Century "Panacea Universalis"?**  
Francis Mimouni  
*Professor of Pediatrics, Tel Aviv University, Israel*
- 16:30-17:00 **Melatonin and other tools against Sleep Disorders in the Pediatric Age Group**  
Philippe Evrard  
*Professor of Pediatric Neurology and Metabolic Diseases, University of Paris Diderot Medical School and Robert-Debré Hospital, France*
- 17:00-17:30 **Lead Poisoning in Children - A Global Perspective**  
Yona Amitai  
*Pediatrician, Toxicologist and Professor in Public Health, Bar Ilan University, Israel*

16:00-17:30	<b>Master Class 7</b> <b>Infectious Diseases II</b> Chairs: Olarn Prommalikit	Hall C
16:00-16:05	<b>Introduccion</b> <u>Olarn Prommalikit</u> <i>Princess Mahachakri Sirinthorn Medical Center, Department of Pediatrics, Faculty of Medicine, Srinakharinwirot University, Ongkarak, Thailand</i>	
16:05-16:30	<b>Rabies immunization of travelers in a canine rabies endemic area</b> <b>Terapong Tantawichien</b> <u>Mahidol University, Thailand</u>	
16:30-16:55	<b>A virologist focus on basic researches</b> <u>Prasert Auewarakul</u> <i>Director of the Institute of Molecular Biosciences of Mahidol University, Thailand</i>	
16:55-17:20	<b>Influenza as a model for “Consensus management by diagnostic probability and patient’s preference”</b> <u>Nirun Vanprapar</u> <i>Associate Professor, Medical Instructor, Pediatric Infectious Unit, Pediatrics Departmen, Siriraj Hospital, Thailand</i>	
17:20-17:30	<b>Q&amp;A</b>	
16:00-17:30	<b>Master Class 8</b> <b>Implications of the changes in DSM-5 on Mental Health of Youth</b> Chair: Basil Porter	Thonburi Hall
16:00-16:10	<b>Introduction</b> <u>Basil Porter</u> <i>Professor Emeritus, Faculty of Medical Sciences, Ben Gurion University, Beer Sheva,, Israel</i>	
16:10-16:40	<b>Substance abuse, eating disorders, tics &amp; autism spectrum</b> <u>Donald Greydanus</u> <i>Professor &amp; Founding Chair Pediatrics Program Director Department of Pediatric &amp; Adolescent Medicine, Western Michigan University School of Medicine, USA</i>	
16:40-17:10	<b>Diagnosis &amp; Management of ADHD in childhood and beyond</b> <u>Manuel Katz</u> <i>Head Physician, Maternal and Child Health, Southern Region, Ministry of Health Israel. ISSOP Council member</i> <i>President Israel Ambulatory Pediatric Society and Global Initiative for Consensus in Pediatrics (CIP)</i>	
17:10-17:30	<b>Q&amp;A</b>	
17:30-18:00	<b>Coffee Break and Visit of the Exhibition and Electronic Posters</b>	

---

18:00-19:30	<b>Plenary 4: In remembrance and honor of the late Prof. David Branski</b>	Halls ABC
-------------	--	-----------

---

18:00-18:10	<b>In Memoriam of David Branski</b> <u>Manuel Katz</u> <i>President Israel Ambulatory Pediatric Society, ISSOP Council member, President CIP</i>	
18:10-18:40	<b>The new guidelines for the diagnosis of Celiac Disease</b> <u>Ricardo Troncone</u> <i>Professor of Pediatrics, University Federico II, Italy, Past President ESPGHAN</i>	
18:40-19:00	<b>CIPEDIA: a tool for Global Knowledge Diffusion and Transfer</b> <u>Peter Altorjai</u> <i>Primary Care Paediatrician, Tóth Ilona Healthcare Center, ECPCP website coordinator</i>	
19:00-19:30	<b>The Global Pediatric Education Consortium: Training and Sustaining a Global Pediatric Workforce</b> <u>Alfred Tenore</u> <i>Associate Dean of Faculty Affairs, Chair of Pediatrics, Professor of Pediatrics, Department of Medical Education California Northstate University College of Medicine. President of the Italian National Medical Licensure Examination Board; Italian Delegate and Past President of the European Academy of Pediatrics (Pediatric section of the UEMS-European Union of Medical Specialists). Vice Chairman of CESMA (Council for European Specialist Medical Assessments); Chairman of the Global Pediatric Education Consortium.</i>	

---

07:30-17:00 Registration

---

08:00-09:00 **Industry Symposium 4:** Halls ABC  
**Adolescent vaccination:**  
**An opportunity for controlling serious diseases**  
Chair: **Zulkifli Ismail**

---

*Sponsored by GSK*

**Welcome and introduction**

Zulkifli Ismail

*President of APPA - Asia Pacific Pediatric Association, Malaysia*

**Pertussis control: taking a step beyond infant vaccination**

Helen Marshall

*Director, Vaccinology and Immunology Research Trials Unit, VIRTU, Australia*

**Vaccinating young adolescents against cervical cancer: benefits and potential challenges**

Swee Chong Quek

*Clinical Director & Senior Consultant Obstetrician & Gynaecologist, Singapore*

**Q&A - All**

**Conclusion**

---

09:00-09:30 **Coffee Break and Visit of the Exhibition and Electronic Posters**

---

09:30-11:00 **Master Class 9** Hall A  
**Neonatology**  
Chairs: **Tom Stiris, Ashok Gupta**

---

09:30-09:35 **Introduction**

Tom Stiris

*Professor, Oslo University Hospital. Coordinator of Neonatology; CIP; President, EAP (European Academy of Pediatrics);*

09:35-10:00 **Nutrition of the preemie in the ICU and afterwards**

Richard Cooke

*Professor of Pediatrics, St Louis University, USA*

10:00-10:25 **Neonatal necrotizing enterocolitis**

Sameh Shehata

*Professor of Pediatrics and Surgery, Alexandria University, WOFAPS Vice President, Egypt*

10:25-10:50 **Immunonutrients and the Newborn Intestinal Mucosal Defense System**

Sarayut Supapannachart

*Associate Professor in Pediatrics Chairman, Department of Pediatrics, Faculty of medicine at Ramathibodi Hospital Mahidol University, Thailand*

10:50-11:00 **Q&A and Conclusions**

Ashok Gupta

*Professor of Pediatrics, SMS Medical College, Jaipur, India*

*Executive Director, International Neonatology Association, Geneva*

---

09:30-11:00 **Master Class 10** Hall B  
**Primary Care**  
Chair: **Shimon Barak**

---

09:30-09:35 **Introduction**  
Shimon Barak  
*Primary Care Pediatrician, Department of Pediatrics, Maccabi Health Services, Israel. Chair of the Primary Care Working Group and member of the Executive Committee, EAP (European Academy of Pediatrics)*

09:35-10:00 **Febrile infants and children in the primary setting: How to recognize serious bacterial infections**  
Jean-Christophe Mercier  
*Université Paris Diderot - Sorbonne Paris Cité Chef du Service des Urgences pédiatriques, Hôpital Robert Debré - Assistance Publique - Hôpitaux de Paris, France. President of the European Board of Pediatrics and member of the Executive Committee, EAP (European Academy of Pediatrics)*

10:00-10:25 **Pediatric research networks: the laboratory of the primary pediatric caretaker**  
Zachi Grossman  
*Department of Pediatrics, Maccabi Health Services, Israel*

10:25-10:50 **Early signs eliciting neuropsychiatric clinical examinations: a new innovative tool in primary care**  
Philippe Evrard  
*Professor of Pediatric Neurology and Metabolic Diseases, University of Paris Diderot Medical School and Robert-Debré Hospital, France*

10:50-11:00 **Q&A**

---

09:30-11:00 **Master Class 11** Hall C  
**Pediatric Pulmonology 1:**  
**Asthma & Other Wheezing Disorders in Childhood**  
Chairs: **Leonard Bacharier, Robert Ross-Russell**

---

09:30-09:35 **Introduction**  
Robert Ross-Russell  
*Director of Studies in Medicine at Peterhouse, Cambridge College, Cambridge Biomedical Campus, UK. Chair of Tertiary Care Working Group and Executive Committee Member of the European Academy of Paediatrics EAP*

09:35-10:05 **Are we ready for phenotype directed therapy in childhood asthma?**  
Leonard Bacharier  
*Professor of Pediatrics and Medicine Clinical Director, Division of Pediatric Allergy, Immunology, and Pulmonary Medicine, Unit Co-Leader, Patient Oriented Research Unit, USA*

10:05-10:35 **Asthma and air pollution**  
Kunling Shen  
*President, Chinese Pediatric Association, China*

10:35-11:00 **Q&A**

---

09:30-11:00	<b>Master Class 12</b> <b>Endocrinology</b> Chairs: <b>Giuseppe Saggese, Suttipong Wacharasindhu</b>	Thonburi Hall
09:30-09:55	<b>Short stature: from general pediatrician to pediatric endocrinologist</b> <u>Giuseppe Saggese</u> <i>Professor, Director of the Pediatric Department University of Pisa Director; Postgraduate School of Pediatrics; President, Italian Council of University Professors of Pediatrics, Italy</i>	
09:55-10:20	<b>Growth problems in children with ADHD disorder</b> <u>Alfred Tenore</u> <i>Associate Dean of Faculty Affairs, Chair of Pediatrics, Professor of Pediatrics, Department of Medical Education California Northstate University College of Medicine. President of the Italian National Medical Licensure Examination Board; Italian Delegate and Past President of the European Academy of Pediatrics (Pediatric section of the UEMS-European Union of Medical Specialists). Vice Chairman of CESMA (Council for European Specialist Medical Assessments); Chairman of the Global Pediatric Education Consortium</i>	
10:20-10:45	<b>Childhood obesity: knowledge, attitudes, and practices of European pediatric care providers</b> <u>Artur Mazur</u> <i>Professor, Medical Faculty University of Rzeszów, Poland</i>	
10:45-11:00	<b>Discussion</b> <u>Suttipong Wacharasindhu</u> <i>Endocrine Unit, Department of Pediatrics, Faculty of Medicine, Chulalongkorn University, Thailand</i>	
11:00-12:30	<b>Master Class 13</b> <b>Pediatric Surgery</b> Chair: <b>Jose Boix-Ochoa</b>	Hall A
11:00-11:25	<b>Minimally Invasive Surgery techniques and its implementation in Pediatrics</b> <u>Ralph Cohen</u> <i>Professor, Head Department of Surgery, General Surgery/Urology, Australia</i>	
11:25-11:50	<b>Medical and ethical considerations of fundoplication, gastric and NG tubes. The place and role of parents, the surgeon, the pediatrician, shared decision making and the Medical Home</b> <u>David Fox</u> <i>Assistant Professor of Pediatrics, University of Colorado, School of Medicine, USA</i>	
11:50-12:00	<b>Medical and ethical considerations of fundoplication, gastric and NG tubes. The Pediatric Surgeon's opinion</b> <u>Jose Boix-Ochoa</u> <i>General Secretary World Federation of Associations of Pediatric Surgery. International Adviser in Pediatric Surgery in the World Health Organization (WHO), UNICEF and C.I.O.M.S treasurer and EC member, CIP, Spain</i>	
12:00-12:30	<b>Challenges in the nutrition of Epidermolysis Bullosa patients</b> <u>Richard Azizkhan</u> <i>Past President of WOFAPS, Surgeon-in-Chief Lester W. Martin, Chair of Pediatric Surgery, Cincinnati Children's Hospital Medical Center, USA</i>	

---

---

**11:00-12:30**    **Master Class 14**    **Hall B**  
**Adolescent Medicine**  
Chairs: **Suriyadeo Tripathi, Donald Greydanus**

---

**11:00-11:30**    **On tobacco control and smoking**  
Jonathan Klein  
*Professor of Pediatrics, Preventive and Community Medicine, and Family Medicine. Associate Executive Director, American Academy of Pediatrics, USA*

**11:30-12:00**    **Life Assets positive youth development in Thailand**  
Suriyadeo Tripathi  
*Dean and Director, National Institute for Child and Family Development, Thailand*

**12:00-12:30**    **Substance Abuse in Adolescents**  
Donald Greydanus  
*Professor & Founding Chair Pediatrics, Program Director, Department of Pediatric & Adolescent Medicine, Western Michigan University School of Medicine, USA*

---

**11:00-12:30**    **Master Class 15**    **Hall C**  
**Pediatric Pulmonology 2:**  
**Pneumonia & Other Respiratory Infections**  
Chairs: **Arunas Valiulis, Leonard Bacharier**

---

**11:00-11:30**    **Approach and management of Pneumonia in outpatient children: Nordic vs. Real Life**  
Arunas Valiulis  
*Professor of Paediatrics, Vilnius University Clinic of Children's Diseases & Institute of Child Health, Lithuania. President of Lithuanian Paediatric Society and Lithuanian Paediatric Respiratory Society, Treasurer and Executive Committee Member of the European Academy of Paediatrics EAP*

**11:30-12:00**    **Pneumonia in children in the inpatient setting**  
Robert Ross-Russell  
*Director of Studies in Medicine at Peterhouse, Cambridge College, Cambridge Biomedical Campus, UK. Chair of Tertiary Care Working Group and Executive Committee Member of the European Academy of Paediatrics EAP*

**12:00-12:30**    **Viral Infections in Asthma – Inception and Exacerbation**  
Leonard Bacharier
